CHAIRSIDE AMALGAM RECYCLING BUCKETS AVAILABLE FROM DRNA

As you know, it is important to recycle Evac-u-Traps and scrap amalgams properly. Dental Recycling North America (DRNA) makes this easy with their Chairside Amalgam Recycling buckets, which can be used to recycle amalgam capsules, Dispos-a-Traps, teeth with amalgams, scrap amalgams, ^{REDACTED} Evac-u-Traps, etc.

The following are a few additional benefits of DRNA's Chairside Amalgam Recycling buckets.

- No contract
- On-demand pick-up and prepaid return shipping
- Three sizes available: 1.25 gallon, 2.5 gallon and 5 gallon
- Liquid control procedures to maximize safety
- Waste recycling at EPA-certified facility
- Complete audit trail for collected waste
- Compliance certification

For more than 20 years, DRNA has provided their affordable and efficient recycling solutions to a diverse roster of dental customers, including private practices, dental schools, DSO's, hospitals and other health institutions.

United Concordia and DRNA are delighted to offer network dentists a 20% discount on DRNA products and services, including Chairside Amalgam Recycling buckets.

To take advantage of this offer, contact David at 212-2^{REDACTED}, email ^{REDACTED}@drna.com or visit www.drna.com/contact.php.

*DRNA is not affiliated with United Concordia and is solely responsible for its own products and services.
